The @luhc Minister acknowledges delivery of skills is critical for #levellingup in the East of England. Widening and deepening devolution is also essential but "this will not be a one size fits all" approach. She says there is further to go on transport and digital connectivity

Transport East @transporteast · Feb 22

The importance of better transport connections in the East to maximise the opportunities for growth, access new skilled jobs and level up is coming across loud and clear from all panellists. @CambsPboroCA @STN_Airport @TheHavenGateway @EastEnglandAPPG @eelga
